

ASSISTED LIVING

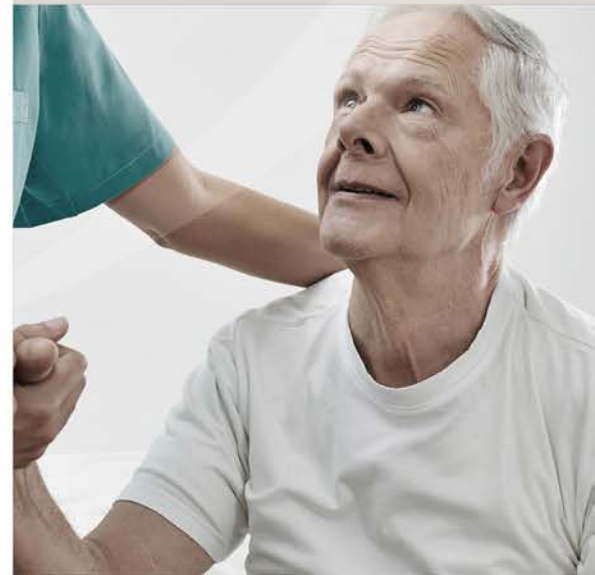

The **Assisted Living** communities at Senior Care Centers are the ideal environment for seniors who want to maintain an independent lifestyle yet benefit from ongoing support. Our caring staff can help with daily tasks such as eating, bathing, dressing, laundry, housekeeping and management of medications. These services are provided in the privacy of one's own home-like apartment. Whether lending a helping hand while getting dressed or providing a friendly reminder at meal and medication times, our residents and their loved ones have the assurance and comfort of 24-hour assistance.
